  1. **Chapters 1-3**

God tests Job's faithfulness through allowing Satan to attack him.
  
  2. **Chapters 4-37**

Job's friends give him plenty of bad advice, in rounds of discussion. They mistakenly blame his sufferings on his personal sins rather than God testing Job and growing him.

### **3. Chapters 38-40**

God speaks to Job and restores him. God knows that Job has received incorrect guidance from his friends. God humbles Job by asking a series of questions that could only be answered by Almighty God. God blesses Job with twice as much as he had before his trials began.
